

## Be a Digital Champion and help make a real difference.....

SHS has partnered with a company called Digital Unite to promote the use of “digital” with our tenants. We are currently seeking some Digital Champions to help share their knowledge with others – and you don’t need to be an expert!

Typical tasks of a Digital Champion include:

- Teaching someone to use Google
- Helping someone to set up an email account
- Explaining and showing how easy on line shopping can be
- Setting someone up on Skype
- Helping someone research hobby ideas online.

If you would be interested in taking part, or in finding out more, I’d love to hear from you. Our Digital Champions are supported by local staff and by the Digital Unite Network.
