

## SHS fundraising 2017

Over the past year SHS staff and tenants have taken part in a number of different fundraising events for different charities.

We have held bake sales, hosted coffee mornings, worn Christmas jumpers, donated food for the Sutton Food bank, played “guess the number” and other games to raise a total of **£517.87!**

This money has gone on to support Dementia UK, the Alzheimer’s Society, Macmillan and the Armed Forces.

We’d like to thank all our tenants for their help and involvement in raising these funds and look forward raising even more funds throughout 2018.

Keep an eye out on the noticeboards for dates and time – ‘Time for a Cuppa’ will be back this March, raising money for Dementia UK!
