

Sutton Housing Society is looking for enthusiastic volunteers to assist with its various activities and events across its housing schemes for older people.

If you can offer practical help with art and craft classes or film afternoons or singing or skype quizzes etc. we really want to hear from you!

If you are happy to sit, chat and lend an ear to some of our older residents, we really want to hear from you!

If you can spare as little as 90 minutes every month to help with one of our activities/events, we really want to hear from you!

To get in touch, please contact Laura on 020 8915 2952 or [laura.george@shsoc.org.uk](mailto:laura.george@shsoc.org.uk) for more details on volunteering with Sutton Housing Society.
